

Revising Index Methodology

In order to enhance the index investability, Shenzhen Securities Information Co., Ltd. decides to revise existing index methodology. The details are as follows:

CNI Leading Private-Owned Enterprises 100 Index: (1) Revise the selection method to “Rank securities by daily average total market cap within the latest 6 months and operating income within CNI level 2 industry respectively, select top 300 securities by comprehensive ranking of two indicators as candidate securities; rank candidate securities by the growth of operating income, the growth of net profit, R&D intensity and daily average total market cap respectively, calculate the weighted average comprehensive score of the rankings, select top 100 securities by comprehensive score as index constituents”; (2) Adjust the number of new constituents to “The number of new constituents in each periodic review shall not exceed 30% of the total number of index constituents”; (3) Adjust the weighting method to “The adjustment factor is designed to set the initial weight of individual constituent according to free-float market cap adjusted by the ranking of R&D intensity. In addition, the weight of individual constituent does not exceed 15% and the total weight of top 5 constituents does not exceed 60%”.

CNI Commercial Satellite Communication Industry Index: (1) Modify the index universe to “Company business classified as commercial satellite manufacturing, commercial satellite launch, commercial satellite operation, as

well as satellite ground equipment and satellite communication services and other fields related to satellite communication”; (2) Adjust the weighting method to “The total weight of constituents no less than 50% and the weight of individual constituent no more than 15% for the fields of commercial satellite manufacturing and commercial satellite launch, the weight of individual constituent from other fields no more than 3%, the total weight of the top 5 constituents no more than 60%”.

The revision will be implemented on June 16, 2025. For more details, please refer to CNI Index website (www.cnindex.com.cn).
