

## Revising Index Methodology

In order to enhance index investability, Shenzhen Securities Information Co., Ltd. decides to revise existing index methodology. The details are as follows:

CNI Digital Payment Index: (1) Change the index name and short name to CNI Digital Payment Index and CNIDPI respectively, while the index code will be changed to 980113; (2) Modify the index universe to “Company business classified as payment services, payment technology, payment equipment, payment security and other fields related to digital payment”; (3) Revise the selection method to “Remove bottom 10% securities by daily average trading value within the latest 6 months, select top 50 securities by daily average total market cap within the latest 6 months”; (4) Revise the weighting method to “Set the weight of individual constituents with higher related business proportions and diverse application scenarios no more than 10%, the weight of other individual constituents no more than 2% and the total weight of those constituents no more than 20% in each periodic review”.

The revision will be implemented on August 26, 2025. For more details, please refer to CNI Index website ([www.cnindex.com.cn](http://www.cnindex.com.cn)).
