

## Revising Index Methodology

In order to enhance the index investability, Shenzhen Securities Information Co., Ltd. decides to revise existing index methodology. The details are as follows:

CNI Computing Infrastructure Index: (1) Modify the index universe to “Company business classified as computing, network, storage, operation and maintenance and other fields related to computing infrastructure”; (2) Adjust the weighting method to “The weight of individual constituent in the fields of computing, network, storage, operation and maintenance no more than 10%, the weight of other individual constituent no more than 2%”.

The revision will be implemented on November 14, 2025. For more details, please refer to CNI Index website ([www.cnindex.com.cn](http://www.cnindex.com.cn)).
