

Revising Index Methodology

In order to enhance the index investability, Shenzhen Securities Information Co., Ltd. decides to revise existing index methodology. The details are as follows:

CNI Solid-State Battery Index: (1) Change the index code to 980140, while the index name and short name will be changed to CNI Solid-State Battery Index and CNISSBI; (2) Modify the index universe to “Company business classified as battery products, battery production equipment, battery materials and parts, and other solid-state battery related fields”; (3) Adjust the weighting method to “Set the weight of individual constituent equal in each periodic review”.

The revision will be implemented on February 10, 2026. For more details, please refer to CNI Index website (www.cnindex.com.cn).
