

CNI HK Connect Cyclical Index and CNI HK Connect Electric Power & Utilities Index Will Be Launched

To reflect the performance of companies in pro-cyclical core sectors, as well as companies in electric power and public utility sectors eligible for Southbound Trading under Stock Connect, further enriching index-based investment instruments, Shenzhen Securities Information Co.,Ltd. will launch CNI HK Connect Cyclical Index and CNI HK Connect Electric Power & Utilities Index on June 17, 2026.

CNI HK Connect Cyclical Index selects 50 stocks with the largest market capitalization in pro-cyclical core sectors eligible for Southbound Trading under Stock Connect as constituents, after removing those with poor liquidity.

CNI HK Connect Electric Power & Utilities Index selects 50 stocks with the largest market capitalization in electric power and public utility sectors eligible for Southbound Trading under Stock Connect as constituents, after removing those with poor liquidity.

For index methodology, lists of constituents and further information, please visit CNI Index website (www.cnindex.com.cn).
